VIBORG STIFT
— EN DEL AF FOLKEKIRKEN —

January 16, 2026

To our dear siblings in Christ,

As the national bishops of Lutheran churches in the United States, Canada and Denmark, we wish to send the Greenlandic people our full support in an unusually difficult situation. We pray for and encourage our own congregations and people to pray for and stand with Greenland and the Greenlandic people who want to maintain their independence. We pray for peace and respect between nations.

We unreservedly support the Church of Greenland and Bishop Paneeraq Siegstad Munk, whose statement has been quoted in several media outlets: “This is a question of human rights, dignity, and respecting international laws and treaties. We are a small people, but we are not invisible. Our future is not something to be decided over our heads. We have language, culture, ancestors, children, and a future tied to this place. We are people, not property. Greenland is not land to be bought. It is our home and it is not for sale” ([Christian News, Jan. 14](#)).

The Church of Greenland works closely with dioceses in Denmark and plays an active role in international affairs as a member of the World Council of Churches, the Lutheran World Federation and other organizations. We wish that this close cooperation will continue and bring joy and benefit to the people of Greenland.

We invite you to write to your elected leaders and tell them to respect the independence of Greenland and the Greenlandic people.

In Christ,

The Rev. Dr. Larry
Kochendorfer,
National Bishop
Evangelical Lutheran Church

The Rev. Yehiel Curry,
Presiding Bishop

Rt. Revd. Henrik Stubbkjær,
